

SAFETY PROMISE

As an employee owned company, we are committed to being leaders in safety out of care and concern for people. We will celebrate safe behavior and best practices providing a work environment where we are all responsible for safety. Safety as a core value provides the foundation of this Promise.

- * Never put yourself or others into harm's way or in an "Imminent Danger" situation.
- * We will use all necessary PPE for a given task including: Hard Hat, Safety Glasses, Gloves, Hi Vis Vest & Work Boots.
- * We will do Stretch & Flex each shift on all projects.
- * All tasks must have a Task Planner completed each shift.
- * Prior to operation of any piece of equipment such as forklifts / scissor lifts, all operators must have project authorization, current training & certification for that particular piece of equipment & ensure the equipment is inspected as required.
- * We are a drug free employer & are committed to providing our employees with a drug free safe workplace
- * Report all injuries and incidents as soon as possible to your supervisor. Always inform your supervisor of any conditions that may affect your fitness for duty.
- * Always maintain housekeeping in a professional manner.
- * Stop Work Authority is given to all ISEC employees, subcontractors, & clients. Respect stop work when asked.

We are committed to excellence in safety
